*Trainers are qualified midwives and hypnobirthing teachers currently studying at masters level. Becky is an IBCLC and has a level 5 diploma in education & training and is currently completing her training to achieve Qualified Teacher Status to teach age 14 and over.

Disclaimer – this course is designed to support and inspire aspiring midwives applying for midwifery degree programmes – it does not guarantee you a place. We regret funds will not be given for non-attendance or your technology failure. However should your tech fail you will still receive the powerpoint slides .
